INCIDENT REPORTING

Please immediately report all incidents and/or losses to RI Risk Management. Insurance coverage could be jeopardized if you voluntarily promise insurance coverage, make payments, or assume any financial obligation, other than providing first-aid, without the insurance company's consent. The Incident Report form is on the **U.S. Rotary Insurance Portal** and can be submitted to Risk Management by email to claims@rotary.org or by fax to (847) 556-2147. An Incident Report is notice of an occurrence/loss that may or may not lead to a compensable claim.

COVERAGES PROVIDED

- **General Liability** protects clubs against liability claims for bodily injury to a third party and damage to a third party's property. This insurance is typically required by a lessor/municipality when a club holds events, fundraisers, or other activities.
- Personal and Advertising injury, including **copyright infringement** in your "advertisement". "Advertisement" means a notice that is broadcast or published to the general public including material placed on the internet.
- **Liquor Liability** for injury to a third party arising from the selling, serving or furnishing of alcoholic beverages. Coverage is included for a club that is selling, serving, or furnishing alcoholic beverages.
 - If a liquor license is required, you must have the liquor license in place or liquor liability will not be provided. The policy excludes injury arising out of any alcoholic beverage while any required license is not in effect.
- **Medical Payments (Med Pay)** is a type of no-fault coverage for bodily injury. This coverage pays for medical expenses incurred by a third party for an injury sustained while not admitting liability or fault. The Program excludes medical payments for persons injured while practicing, instructing or participating in any athletic events or activities.
- **Non-Owned/Rented Auto Liability** for the use of hired, leased, borrowed, or non-owned autos. This coverage responds after any insurance carried by the owner/operator of the vehicle is exhausted. This excess coverage is intended for insured entities only and does not extend to individual auto owners.
 - If the Rotary club owns an auto, it must be separately insured by the club.
 - There is no comprehensive or collision coverage for **damage** to any auto operated by the club.
 - **Note:** The coverage territory for non-owned/hired auto liability coverage is limited to only the U.S., its territories and possessions, and Canada.
- **Sexual Misconduct.** The Program provides Sexual Misconduct Liability coverage on a claims-made basis to protect clubs from claims arising out of alleged sexual misconduct. Sexual misconduct means sexual molestation, including but not limited to, any unwanted sexual involvement, sexual conduct or sexual contact. Claims-made coverage is limited to claims and incidents that are timely reported during the policy period. This means that any sexual misconduct incidents must be immediately reported to RI Risk Management – even if you do not anticipate a claim arising out of the incident. Additionally, if an incident arises, follow RI's [youth protection guidelines](#), including reporting the incident to local law enforcement, and contacting RI staff (youthprotection@rotary.org) within 72 hours of the incident.
- To review all coverages, refer to the General Liability Insurance Policy that is on the **U.S. Rotary Insurance Portal**. For more detailed information on the above coverages, please see the FAQ and/or Loss Prevention Strategies on the **U.S. Rotary Insurance Portal**.
